

# Hold It Don't Drop It

Jennifer Lopez

You don't know what you're doin'  
What you're doin' to me  
Try to stop me, can't stop me  
Cos you got what I need  
You got me all open and now you trying to leave  
Hold it, don't drop it (don't drop it)  
Stop it (can't stop it, won't stop it)

Every time I try to run, something keeps stopping me (stopping me)  
I try my best to turn around, but your touch won't let me leave  
I can't control it, you put something inside of me  
Cos you're a problem  
Boy you must a poisoned me

[x2]  
You don't know what you're doin'  
What you're doin' to me  
Try to stop me, can't stop me  
'cause you got what I need  
You got me all open and now you trying to leave  
Hold it, don't drop it  
Don't drop it  
Stop it, can't stop it  
Won't stop it
