

# If You Had My Love

Jennifer Lopez

[ Rodney Jerkins ]  
C'mon and just dance a little  
Let me see u dance a little  
I like it when u dance a little  
Baby work it out just dance a little

[ Jennifer Lopez ]  
verse:  
Now if I give u me  
This is how its got to be  
First of all I won't take u cheating on me  
Baby who can I trust if i can't trust in u  
And I refuse to let u play me like a fool

U said that we could possibly spend eternity  
(See thats what u told me thats what u said)  
But if u want me  
U have to be fulfilling all my dreams  
If u really want me baby

chorus 2x:  
If u had my love and I gave u all my trust  
Would u comfort me  
And if somehow u knew that your love would be untrue  
Would u lie to me  
And call me your baby

verse:  
U said u want my love and you've got to have it all  
But first there are some things u need to know  
If u wanna live with all I have to give  
I need to feel true love or its got to end, yeah

I don't want u tryin to get with me  
And I end up unhappy  
( I don't need the hurt and I don't need the pain)  
So before I do, give myself to u  
I have to know the truth  
If I spend my life with u

repeat chorus 2x

[ Rodney Jerkins ]
