

Mile in These Shoes

Jennifer Lopez

They always think they know
But they don't!
This is my story...

Strangers always got some mess to spread.
But I have learned to flick them off (them off)
Can't walk a mile in my YSL's
I strap em on and I walk it off (it off)

Got em saying: I can't believe
She did it, no she didn't
My wild factor's got em crazy
Got em saying
Yeah she did it but I can't believe it
Never said you can't believe

Hahahaha

Even if they try
They still can't walk a mile in these shoes
They couldn't even lace em up right
Honey these walks are too big to fill
Ten million men can't walk a mile in these shoes

My strut's so fierce
Steven's gotten mad at me
Laugh and talk behind my back
But they'll never get the best of me
I see em doing my dance
And I hear em singing my song
I'm surpassing the rest
Cause that's how I was raised to do it

Got em saying: I can't believe
She did it, no she didn't
My wild factor's got em crazy
Got em saying
Yeah she did it but I can't believe it
Never said you can't believe

Hahaha

Even if they try
They still can't walk a mile in these shoes
They couldn't even lace em up right
Honey these walks are too big to fill
Ten million men can't walk a mile in these shoes

Even if they try
They still can't walk a mile in these shoes
They couldn't even lace em up right
Honey these walks are too big to fill
Ten million men can't walk a mile in these shoes

I'm walkin tall
I don't let their hatred test me
They bite the dust

Head above water, they still can't breathe
My feet pound the ground
As I stomp it out
I dare you to walk a mile in my shoes

Even if they try
They still can't walk a mile in these shoes
They couldn't even lace em up right
Honey these walks are too big to fill
Ten million men can't walk a mile in these shoes
