Can I Go Now

Jennifer Love Hewitt

What's the point in trying to meet you in the middle
You got your point of view, there's nothing I can do
Can't change you mind, can't leave it all behind
You're living in the past

We talk and talk, this goes on for hours
About how I should be, why is it all on me
Don't wanna fight, don't wanna waste my time
Baby this can't last, I'm moving on, moving on

Can I go now?
Said what you had to say
Happy you got your way
There's nothing to discuss

Can I go now?
Given your point of view
Said what you wanted to
What's the point in us

Can I go now?
Oh say what you have to say
Happy you got your way
What's there to discuss

Can I go now, now, now, now?
Can I go now, now, now, now?

What's the point in trying to reach a compromise?
When you're the judge and jury, what's the story?
I can't make you see that I'm not always wrong
I can't make it right, it's time to move on, I'm moving on
Yeah, yeah, yeah

Can I go now?
Said what you had to say
Happy you got your way
There's nothing to discuss

Can I go now?
Given your point of view
Said what you wanted to
What's the point in us?

Can I go now?
Oh say what you ask me
Happy you got your way
What's there to discuss?

Can I go now, now, now, now?
Can I go now, now, now, now?

Let's call it a day, I'll pack my bags be on my way
Sure don't need to stay
Where I'm not welcome anyway
Well now that's all right and that's okay

Can I go now?
There's nothing left to do
Maybe I'm not for you
So why don't you let it go?

Can I go now?
To me what's the point in all this talk talk talk
We could go day and night
It still wouldn't make it right?

Can I go now?
Said what you had to say
Happy you got your way
There's nothing to discuss

Can I go now?
Oh you given your point of view
Said what you wanted to
What's the point in us?
Can I go now?

Can I go now?
Can I go now?

Yeah, I'll be on my way yeah
Oh why don't you let go, Can I go now?
Let's call it a day
Can I go now?
Can I go now?

Now yeah, yeah
Why don't you let me go now?
Can I go now?
Can I, can I go now?
Can I go now?
