

Don't Turn Your Head Away

Jennifer Love Hewitt

I don't wanna take
your dreams away from you
And I'll always be there
All the love we've shared together
Two feathers floating in the air
Whatever happens now
I know that we'll be true
Like the sun brings on the day
I won't give up on you

Don't you turn your head away
The river runs as it should do
I never meant to hurt you
Don't you turn your head away
Hear my heartbeat whisper true
Listen how I love you

I see now that I must let you be you
Instead of standing in my footsteps
Go ahead and use your own voice
You've shown me you have the choice
The things you said to me
I've realised the truth
Through your eyes, I see myself
Awaiting in you

I know it's never easy
To turn and face the wind
But we can work together
To find our love again
