

# First Time

Jennifer Love Hewitt

When I look at you  
Baby I'm amazed  
After what we've been through  
All that I can say is  
There's no perfect plan  
And no finish line  
We just learn to fall  
And get back up inside

Didn't think we'd make it  
So glad we didn't break up  
Now we're good together  
And stronger than before

It's not complicated  
And I wanna celebrate it  
'Cause it feels like the first time  
When you walked into the room and  
I can't believe we made it  
When all around us love was faded  
When you look into my eyes  
It feels like the First Time again

We stood out on the bridge  
And everywhere in between  
Pushed it to the edge  
You never lost your faith  
You proved that we were strong  
And I'm glad you did  
This is something that  
I can't believe I could have missed

We don't have to try hard  
Now that we've come this far  
We're good together  
And on the other side of this

It's not complicated  
And I wanna celebrate it  
'Cause it feels like the first time  
When you walked into the room and  
I can't believe we made it  
When all around us love was faded  
When you look into my eyes  
It feels like the first time again

You want to know but now  
I'll do it all again  
If they would leave me too  
All that I have is you  
Oh dooo dooo dooo dooo dooo dooo

Didn't think we'd make it  
So glad we didn't break up  
Now we're good together  
And stronger than before

It's not complicated  
And I wanna celebrate it  
'Cause it feels like the first time  
When you walked into the room and  
I can't believe we made it  
When all around us love was faded  
When you look into my eyes  
It feels like the first time again
