

# I Always Was Your Girl

Jennifer Love Hewitt

I know you're down again  
You see nothing but rain  
You put your friends through hell  
That's why we get along so well

You see  
I always was your girl  
Always will be  
You and me against the world

We know the years can give  
Romance to the street where we once lived  
You wonder why no one called  
Between you and me, we scared them off

You see  
I always was your girl  
Always will be  
You and me against the world

Maybe we're wrong and the world is right  
But don't tell me that tonight  
Self-assured, an amusing guest  
That's the way I like you best

You see  
I always was your girl  
Always will be  
You and me against the world
