

# I'm Gonna Love You

Jennifer Love Hewitt

Angel in disguise  
Stories in his eyes  
Love for every true heart that it sees.

Was it just a lucky day  
That it turned to look my way  
Or is it Heaven right before my very eyes.

He showed me all new things  
The shimmer of moonbeans  
I was blind, but now he's helped me see.

I was lost but now I'm found  
His happiness surrounds  
And now I find that my dreams can come true.

Cause I'm gonna love you for the rest of my life  
I'm holding you safe here in this heart of mine  
I can't live without you cause my soul would die  
You know I'm telling the truth, I'll spend the rest of my life  
loving you

It didn't start this way  
It happened just one day  
You smiled at me and I saw you, differently.

Now I'm a tremble just to be  
A part of you as we  
Begin a life that's sure to never end.
