

I'm Gonna Love You

Jennifer Love Hewitt

Angel in disguise
Stories in his eyes
Love for every true heart that it sees.

Was it just a lucky day
That it turned to look my way
Or is it Heaven right before my very eyes.

He showed me all new things
The shimmer of moonbeams
I was blind, but now he's helped me see.

I was lost but now I'm found
His happiness surrounds
And now I find that my dreams can come true.

Cause I'm gonna love you for the rest of my life
I'm holding you safe here in this heart of mine
I can't live without you cause my soul would die
You know I'm telling the truth, I'll spend the rest of my life
loving you

It didn't start this way
It happened just one day
You smiled at me and I saw you, differently.

Now I'm a tremble just to be
A part of you as we
Begin a life that's sure to never end.
