

# Last Night

Jennifer Love Hewitt

Love, I mistreated you  
I had no reason to  
You gave the best of your love, sweet love, to me  
So unemotional  
I just undid it, oh  
Now I would do anything  
To get back with you, baby  
What I had with you, baby  
Foolish pride don't fill the space  
Where you used to be

Last night I looked, I prayed  
Last night I cried for yesterday  
'Cause I let your love walk away  
I can't sleep alone in this bed I made

I never thought about  
What it meant to turn you out  
I told myself that your love was too much for me  
I was just blamin' you  
For what I was goin' through  
Just too afraid to say  
If I could feel inside me  
Just one touch to remind me  
Foolish pride won't get you back in these arms again  
No, it won't

Last night I looked, I prayed  
Last night I cried for yesterday  
'Cause I let your love walk away  
I can't sleep alone in this bed I made

I've been thinkin' all night  
Been thinkin' all night  
I should have trusted your love  
It's so twenty/twenty fine in sight(?)  
I've been thinkin' I don't want to leave it to fate  
So I'm gonna pray just a little  
But is it too little, too late  
I can't sleep alone in this bed I made

Last night I looked, I prayed  
Last night I cried for yesterday  
Can't live without you  
No, I can't, baby

Last night I looked, I prayed  
Last night I cried for yesterday  
Yesterday, yesterday  
'Cause I let your love walk away  
Don't walk away  
I can't sleep, I won't sleep

Last night I looked, I prayed  
Last night I prayed for you, baby  
Last night I cried for yesterday  
Can't live without you, no, no

'Cause I let your love walk away  
So many tears  
I can't sleep alone in this bed I made

Last night I looked, I prayed  
I prayed for yesterday  
Last night I cried for yesterday  
For yesterday  
'Cause I let your love walk away  
I can't sleep alone in this bed I made
