

Love Will Show You Everything

Jennifer Love Hewitt

Today, today I bet my life
You have no idea
What I feel inside
Don't, be afraid to let it show
For you never know
If you let it hide

I love you, you love me
Take this gift and don't ask why
Cause if you, will let me
I'll take what scares you and hold it deep inside
And if you, ask me why,
I'm with you and why I'll never leave
Love will show you everything
One day,
When youth is just a memory
I know,
You'll be standing right next to me

I love you, you love me
Take this gift and don't ask why
Cause if you, will let me
I'll take what scares you and hold it deep inside
And if you, ask me why
I'm with you and why I'll never leave
My love will show you everything
My love will show you everything, thang,
My love will show you, everything
Our love will show us everything
