

My Only Love

Jennifer Love Hewitt

Deep in my Soul,
A love so strong,
It takes control

Now we both know,
The secrets there
The feelings show

Driven far apart
I'll make a wish
On a shooting star

There will come a day,
Somewhere far away,
In your arms I'll stay,
My Only Love

Even though you're gone,
Love will still live on,
The feeling is so strong,
My Only Love,
My Only Love

There will come a day,
Somewhere far away,
In your arms I'll stay,
My Only Love,

You've reached the deepest part
Of the secret in my heart,
I've known it from the start,
My Only Love,
My Only Love
