

# Rock The Roll

Jennifer Love Hewitt

Every girl thinks I'm so lucky  
Just to be with you  
I know that you agree with them  
But here comes the other shoe  
You don't know what you've got  
Since you took the gamble on me  
So stop messing around like you own this town  
Cause you won the lottery  
Don't think I'm playing around  
Cause we're having too much fun to see  
I'm not trying to bark but our future's dark  
You know what I mean

I'm so tired of making you cry  
I think we're all okay and then I wonder why  
You get so mad when I'm out on my own  
You like it when I'm there when you come home  
I just want you and everything that we got  
Girl, ya know that I love ya and I love ya a lot  
But I need some peace in a world so cold  
You gotta know when to rock and not to roll

You gotta know when to rock and rock the roll  
You gotta know when to rock and rock the roll  
You gotta know when to rock and rock the roll  
You gotta know when to rock and rock the roll  
When to rock and when to roll

Yeah you're cute and sexy  
But that won't take us very far  
Everybody's pushing me  
To date a big rock star  
But that don't matter to me  
Cause I'm already a queen  
By the way I live and to who I give  
And that's enough for me  
So stop messing around with my heart  
Cause I know I love ya a lot  
But something's gotta change  
This can't stay the same  
I'm giving all I've got

Girl, I'd never tell you a lie  
I'm not a superhero just a regular guy  
I think it's time that we have some more fun  
Can't always be worrying about what I've done  
I just want you and everything that we got  
Girl, ya know that I love ya and I love ya a lot  
But I need some peace in a world so cold  
You gotta know when to rock and not to roll

You gotta know when to rock and rock the roll  
You gotta know when to rock and rock the roll  
You gotta know when to rock and rock the roll  
You gotta know when to rock and rock the roll  
When to rock and when to roll
