

# Won't You Be Mine

Jennifer Love Hewitt

Yow! Yow Yow!  
Na,na,na,na,na,na na oh oh won't you be mine  
Na,na,na,na,na,na na whew!!  
I believe in the very best and  
You know it's true, and boy that means you  
I don't think you really know what  
I've been feeling, I've got to get through it

Being friends just ain't good enough  
I'm so alone without you here baby  
Tonight's the night, I am building my nerve  
So baby believe when I tell you the way that I feel.  
Oh, oh...

Na, na, na, na-baby Won't U B Mine  
(Nothing's gonna stop me now)  
(I'm calling on the nightline)  
Na, na, na, na-we'll have a good time  
(Nothing's gonna stop me now)  
(Baby won't you be all mine)  
Na, na, na, na-baby Won't U B all Mine

When your near me, I get so silly  
I lose control, I need you so  
Is there a potion for this emotion  
My heart's alive, I want you to know

You make me smile, you make me feel good  
All I want, is you tonight baby  
The time is right, I'm building my nerve  
I've got to let go, got to let you know just how I feel  
oh oh...

Na, na, na, na-baby Won't U B Mine  
(Nothing's gonna stop me now)  
(I'm calling on the nightline)  
Na, na, na, na-we'll have a good time  
(Nothing's gonna stop me now)  
(Baby won't you be all mine)  
Na, na, na, na-baby Won't U B all Mine

Won't you be mine  
Won't you be mine

Being friends just ain't good enough  
I'm so alone without you here baby  
Tonight's the night, I am building my nerve  
So baby believe when I tell you the way that I feel.  
Oh, oh...

Na, na, na, na-baby Won't U B Mine  
(Nothing's gonna stop me now)  
(I'm calling on the nightline)  
Na, na, na, na-we'll have a good time  
(Nothing's gonna stop me now)  
(Baby won't you be all mine)  
Na, na, na, na-baby Won't U B all Mine
