

# Like A Rock

Jennifer Nettles

Stood there boldly  
Sweatin' in the sun  
Felt like a million  
Felt like number one  
The height of summer  
Never felt that strong  
Like a rock

I was eighteen  
Didn't have a care  
Working for peanuts  
Not a dime to spare  
But I was lean and  
Solid everywhere  
Like a rock

My hands were steady  
My eyes were clear and bright  
My walk had purpose  
My steps were quick and light  
And I held firmly  
To what I felt was right  
Like a rock

Like a rock, I was strong as I could be  
Like a rock, nothin' ever got to me  
Like a rock, boy, I was something to see  
Like a rock

And I stood arrow straight  
Unencumbered by the weight  
Of all these hustlers and their schemes  
I stood proud and I stood tall  
I was high above it all  
I still believed in my dreams

Twenty years now  
Where did they go?  
Twenty years  
I don't know  
I sit and I wonder sometimes  
Where they've gone

And sometimes when it's late at night  
And I'm bathed in the firelight  
The moon she comes callin' a ghostly white  
And I recall  
Oh, I recall

Like a rock, I was standin' arrow straight  
Like a rock, chargin' from the gate  
Like a rock, I was carryin' the weight  
Like a rock

Like a rock, with the sun upon my skin  
Like a rock, I was hard against the wind  
And I see myself again

Like a rock  
Like a rock  
Like a rock
