

# Stranded

Jennifer Paige

You know it only breaks my heart  
To see you standing in the dark  
Alone, waiting there for me to come back  
I'm too afraid to show

If it's coming over you like it's coming over me  
Crashing like a tidal wave that drags me out to sea  
I wanna be with you if you wanna be with me  
Crashing like a tidal wave, I don't want to be  
Stranded, stranded, stranded  
So baby come back to me  
So baby come back to me

I can only take so much  
These tears are turning me to rust  
I know you're waiting there for me to come back  
I'm too afraid to show

If it's coming over you like it's coming over me  
Crashing like a tidal wave that drags me out to sea  
I wanna be with you if you wanna be with me  
Crashing like a tidal wave, I don't want to be stranded

It's coming over you, it's coming over me  
It's coming over you, yeah, yeah, yeah

I miss you, my baby  
Without you I'm stranded  
I love you, so come back  
I'm not afraid to show

Crashing like a tidal wave, drags me out to sea  
I wanna be with you, you wanna be with me  
Crashing like a tidal wave, I don't want to be stranded

It's coming over you, it's coming over me  
It's coming over you  
So baby come back to me  
So baby come back to me  
It's coming over you

It's coming over you, it's coming over me  
It's coming over you  
Oh baby, come back to me, oh yeah  
So baby, come back to me  
So baby, come back to me  
I don't want to be stranded
