These Days

Jennifer Paige

Some days, I couldn't get up I couldn't get down Bored of everything Somehow a little black cloud Rained over me

Someone was making me mad Good turned bad And I lose everything To get you back Just to get you back

But These days the world's alright The sun shines bright I'm kicking off the bad dreams These days, I don't think twice

I walk on light I'm positively somewhere These days go on long after you've gone These days go on long after you've gone These days go on and on and on and on and on

Out of the fire into the swimming pool Sometimes, I drown my tears Same old fears come back Someone was making me ill

I bet you're still A two, three, four letter word Guess you heard Pretty little birds fly home

But These days the sun kicks in The good guys win I'm legal in the back seat These days, I'm safe and sound

Not dragged down You want to know the reason These days, go on long after you've gone These days, go on long after you've gone These days, go on and on and on and on and on

Thank you for not being here I feel better when you're not Sleeping in my head Tossing and turning Messing up the sheets

The love we made was incomplete Like the shoes on your feet The same stuff, I've heard it before That philosophy starting to bore me Now you won't have to smile and ignore me These days the karma's right The sun shines bright I'm kicking out the bad dreams These days I don't think twice

I walk on light I'm positively somewhere These days go on (And on and on and on and on) These days go on (And on and on and on and on) These days go on (And on and on and on and on)

Oh yeah, remember these days On and on and on and on and on Oh yeah, remember these days On and on and on and on and on Oh yeah, remember these days On and on and on and on and on

Remember these days go on Remember these days go on Oh yeah, oh yeah
