These Days

Jennifer Paige

Some days, I couldn't get up I couldn't get down Bored of everything Somehow a little black cloud Rained over me

Someone was making me mad Good turned bad And I lose everything To get you back Just to get you back

But

These days the world's alright
The sun shines bright
I'm kicking off the bad dreams
These days, I don't think twice

I walk on light
I'm positively somewhere
These days go on long after you've gone
These days go on long after you've gone
These days go on and on and on and on

Out of the fire into the swimming pool Sometimes, I drown my tears Same old fears come back Someone was making me ill

I bet you're still A two, three, four letter word Guess you heard Pretty little birds fly home

But

These days the sun kicks in The good guys win I'm legal in the back seat These days, I'm safe and sound

Not dragged down
You want to know the reason
These days, go on long after you've gone
These days, go on long after you've gone
These days, go on and on and on and on and on

Thank you for not being here I feel better when you're not Sleeping in my head Tossing and turning Messing up the sheets

The love we made was incomplete
Like the shoes on your feet
The same stuff, I've heard it before
That philosophy starting to bore me
Now you won't have to smile and ignore me

These days the karma's right
The sun shines bright
I'm kicking out the bad dreams
These days I don't think twice

I walk on light
I'm positively somewhere
These days go on
(And on and on and on and on)
These days go on
(And on and on and on and on)
These days go on
(And on and on and on and on)

Oh yeah, remember these days
On and on and on and on
Oh yeah, remember these days
On and on and on and on
Oh yeah, remember these days
On and on and on and on

Remember these days go on Remember these days go on Oh yeah, oh yeah
