

# All I Want Is You

Jennifer Rush

A thousand faces, a thousand shores  
Thousands of miles apart  
So many places, too many shores  
Still I hear the sound of your heart beating  
Now hear my pleading

Oh, Oh all I want is you  
Oh, Oh all I want is you  
All I want is you

Where did you come from, where do I go  
When I fall into you  
It's out of the darkness, out of control  
All that I thought was true  
Is turning, now my love is burning

Oh, Oh all I want is you  
Oh, Oh all I want is you  
All I want is you....
