All In Love Is Fair

Jennifer Rush

All is fair in love Love's a crazy game Two people vow to stay In love as one they say

But all is changed with time The future none can see The road you leave behind Ahead lies mystery

But all is fair in love I had to go away A writer takes his pen To write the words again That all in love is fair

All the fates of chance It's either good or bad I tossed my coin to say In love with me you'd stay

But all in war is so cold You either win or lose When all is put away The losing side I'll play

But all is fair in love I should have never left your side A writer takes his pen To write the words again That all in love is fair

A writer takes his pen To write the words again That all in love is fair
