

# Ave Maria (Survivors Of A Different Kind)

Jennifer Rush

Ave Maria  
Ave Maria  
Oo oo oo oo

We're taking over the station  
Survivors of a different kind  
Messages of old dimensions say that we are wise

Ave Maria  
Ave Maria  
Oo oo oo oo

Sensations are out on parade now  
Thoughts have ended up left behind  
Going round in circles fighting hidden desires

Ave Maria  
Ave Maria

The signals are there to read  
It's never that hard to see  
Stop wasting your time  
You will find nature's not always kind
