

# Ave Maria

Jennifer Rush

A ave Maria  
A ave Maria  
Oo oo oo oo

Were taking over the station  
Survivors of a different kind  
Messages of old dimensions say that were wise

A ave Maria  
A ave Maria  
Oo oo oo oo

Sensations are out on parade now  
Thoughts have ended up left behind  
Going round in circles fighting hidden desires

A ave Maria  
A ave Maria

The signals are there to read  
It's never that hard to see  
Stop wasting your time you will find  
Natures not always kind

A ave Maria  
A ave Maria.....
