

# Down on My Knees

Jennifer Rush

I'm begging for mercy  
I'm down on my knees  
I want you to stay  
but you keep trying to leave

I'm begging for mercy  
I know I was wrong  
I'm begging you  
please don't take away what we've got  
I'm down on my knees

I've made a mistake  
I was dumb to think the heart wouldn't break  
I'm a fool I know its my fault  
and I know that you had all you can take  
but don't walk away  
don't say that we're through  
cause my life won't be the same without you  
Whatever it takes, is whatever I'll do  
Cause love no means as much to me as you do

I'm begging for mercy  
I'm down on my knees  
I want you to stay  
but you keep trying to leave

I'm begging for mercy  
I know I was wrong  
I'm begging you  
Please don't take away what we've got  
I'm down on my knees

I'm down on my knees yeahh

What else can I do  
If you leave me I'll be broken to  
Yes I was I know that its hard  
But you know that we've got too much to lose  
So don't walk away  
Don't say that we're through  
Cause my life won't be the same without you  
Whatever it takes, is whatever I'll do  
Cause love no means as much to me as you do

I'm begging for mercy  
I'm down on my knees  
I Want You To Stay  
But you keep trying to leave

I'm begging for mercy  
I know I was wrong  
I'm begging you  
Please Don't Take Away What we've got  
I'm down on my knees

I'm down on my knees yeahh

I'm begging for mercy  
I'm down on my knees  
I Want You To Stay  
But you keep trying to leave

I'm begging for mercy  
I know I was wrong  
I'm begging you  
Please Don't Take Away What we've got

I'm begging for mercy  
I'm down on my knees  
I Want You To Stay  
But you keep trying to leave

I'm begging for mercy  
I know I was wrong  
I'm begging you  
Please Don't Take Away What we've got

I'm down on my knees  
I'm down on my knees

Down on my knees  
Begging you&Please
