

# Echoes Love

Jennifer Rush

Boy you shine  
The brightest kind I'll ever see  
Oh Baby  
How you take my breath away  
And like the moon  
I am reflecting all your rays  
I can't explain the force  
You're bringing to my life  
Cuts me like a knife

It's like a rush runs through my veins  
can't find the words to tell you how I feel

I want you to know  
I cross the River wide just to hold you  
and every time that we're apart  
I'll climb the highest Mountain to show you  
that every time you call my heart.  
It echoes Love, it echoes Love  
mmh, every time you call my heart  
It echoes Love, it echoes Love  
Love from the heart.

Close to me  
is where I need your love to stay  
forever Babe  
I'm in awe how they broke the mould  
when they made you  
Baby you shake me to the core  
the sweetest drug of them all  
You take me on a high  
Boy you bring me to life  
And you complete the fire in me  
In you I found the reason to believe.

I want you to know  
I cross the River wide just to hold you  
and every time that we're apart  
I'll climb the highest Mountain to show you  
that every time you call my heart.  
It echoes Love, it echoes Love  
mmh, every time you call my heart  
It echoes Love, it echoes Love  
Love from the heart.

'Cause if I can't have you i don't wanna live  
for your Love boy I'll do anything  
And your Love will echo back to me  
'cause if I can't have you I don't wanna live  
for your Love boy I'll do anything  
And your Love will echo back to me  
in you found a reason to believe, yeah.

I want you to know  
I cross the River wide just to hold you  
and every time that we're apart  
I'll climb the highest Mountain to show you

that every time you call my heart.  
It echoes Love, it echoes Love  
mmh, every time you call my heart  
It echoes Love, it echoes Love  
Love from the heart.
