

# I'm Not Dreaming Anymore

Jennifer Rush

I used to build castles  
In the heaven above  
I used to believe that  
They would turn into love  
But now I know better  
It takes more than that  
For the truth in your eyes  
For the joy that I'm feeling  
I will give everything that I am

'Cause a love like this is hard to find  
To the point I almost lost my mind  
And a love like this is all I need  
Now I know I was dreaming before  
I'm not dreaming anymore

I used to be careless  
I used to get hurt  
Drag my emotions  
And my heart through the dirt  
Now I know better  
And the scars they have healed  
For the way that you trust me  
For your beautiful smile  
I will give everything that I am

'Cause a love like this is hard to find  
To the point I almost lost my mind  
And a love like this is all I need  
Now I know I was dreaming before  
I'm not dreaming anymore

For the first time  
I believe it  
I can feel it  
In every heartbeat  
Breaking  
I surrender  
To the tender  
Ways you always  
Touch me  
When you want me  
When you need me  
For the first time I believe it  
I can feel it

I'm not dreaming anymore

'Cause a love like this is hard to find  
To the point I almost lost my mind  
And a love like this is all I need  
Now I know I was dreaming before  
I'm not dreaming anymore.
