

Love Of A Stranger

Jennifer Rush

No illusions of tomorrow
Not that kind of a love
Keep demanding all of my time
Then you push me and shove
(Sayin`) love's illegal love's a liar
Stealin' hearts from the start
See no evil in the fire
Paralyzed by the light

It's the love of a stranger
That can steal your heart
Beware of a danger
When the passion starts
It's the love of a stranger
When the darkness calls
'Cause that love will hold your heart for ransom here
'Til it's gone and leaves you all alone

Stormy weather at the border
Passion burns within
So beware of words of honor
Seems so close to sin

It's the love of a stranger
That can steal your heart
Beware of a danger
When the passion starts
It's the love of a stranger
When the darkness calls
'Cause that love will hold your heart for ransom here
'Til it's gone and leaves you all alone

It's the love of a stranger
That can steal your heart
Beware of a danger
When the passion starts
It's the love of a stranger
When the darkness calls
Beware of a danger
When the passion starts
It's the love of a stranger
That can steal your heart
Beware of a danger
When the passion starts
It's the love of a strange
That can steal your heart...
