

## Piano In The Dark

Jennifer Rush

When I find myself watching the time  
I never think about  
All the funny things you've said  
I feel like it's dead  
Where is it leading me now

I turn around in the still of the room  
Knowing this is when  
I'm gonna make my move  
Can't wait any longer  
And I'm feeling stronger

But oh  
Just as I walk to the door  
I can feel your emotion here  
It's pulling me back  
Back to love you

Oh no, caught up in the middle  
I cry just a little  
When I'm think of letting go  
Oh no, gave up on the riddle  
I cry just a little  
When he plays piano in the dark

He holds me close like a beat of the heart  
He plays the melody  
Wants to tear me apart  
The silence is broken  
And no words are spoken

But oh  
Just as I walk to the door  
I can feel your emotion here  
It's pulling me back  
Back to love you

Oh no, caught up in the middle  
I cry just a little  
When I'm think of letting go  
Oh no, gave up on the riddle  
I cry just a little  
When he plays piano in the dark
