

# The Flame

Jennifer Rush

Another night slowly closes in  
And I feel so lonely  
Touching heat freezing on my skin  
I pretend you still hold me  
I'm going crazy, I'm losing sleep  
I'm in too far, I'm in way too deep over you  
I can't believe you're gone

Watching shadows move across the wall  
Feels so frightening  
I wanna run to you, I wanna call  
But I've been hit by lightning  
I just can't stand up for falling apart  
Can't see through this veil across my heart over you  
You'll always be the one  
You were the first you were the last

Wherever you go I'll be with you  
Whatever you want I'll give it to you

Whenever you need someone to lay your heart  
And head upon remember  
After the fire, after all the rain  
I will be the flame

I'm going crazy, I'm losing sleep  
I'm in it too far, I'm in way too deep over you  
You'll always be the one  
You were the first you'll be the last

Whenever you need someone to lay your heart  
And head upon remember  
After the fire, after all the rain  
I will be the flame
