## First We Take Manhattan

## Jennifer Warnes

They sentenced me to twenty years of boredom For trying to change the system from within I'm coming now, I'm coming to reward them First we take Manhattan, then we take Berlin

I'm guided by a signal in the heavens
I'm guided by this birthmark on my skin
I'm guided by the beauty of our weapons
First we take Manhattan, then we take Berlin

I'd really like to live beside you, baby
I love your body and your spirit and your clothes
But you see that line there moving through the station?
I told you, I told you, told you I was one of those

Ah, you loved me as a loser
But now you're worried that I just might win
You know the way to stop me, but you don't have the discipline
How many nights I prayed for this, to let my work begin
First we take Manhattan, then we take Berlin

I don't like your fashion business, mister And I don't like these drugs that keep you thin I don't like what happened to my sister First we take Manhattan, then we take Berlin

I'd really like to live beside you, baby
I love your body and your spirit and your clothes
But you see that line there movin' through the station?
I told you, I told you, told you I was one of those

And I thank you for those items that you sent me The monkey and the plywood violin I practiced every night, now I'm ready First we take Manhattan, then we take Berlin

I am guided

Ah, remember me, I used to live for music Remember me, I brought your groceries in Well, it's Father's Day and everybody's wounded First we take Manhattan, then we take Berlin
