

# I'm Dreaming

Jennifer Warnes

Watching all the fishing boats coming  
Lying back in the warm, soft sand  
Seeing you with the sun in your eyes

Looking 'round with the wind in my hair  
Easing down without a care  
Touching you under sweet summer skies

There's a place I can go to any time  
I feel myself unwind  
And oh, the feeling's fine

I'm dreaming of a time beyond today  
When you turn to me and say  
You'll always feel this way?

I'm dreaming of a sun that never sets  
Of a life without regrets  
In a world that lets its lovers' dreams come true

Taking time to talk to each other  
Finding out who we really are  
Being happy, being here with you

Feeling sure that the feeling will last  
Even when this dream is past  
We will see our love come shining through

I'm dreaming of a time beyond today  
When you turn to me and say  
You'll always feel this way?

I'm dreaming of a time beyond today  
When you turn to me and say  
You'll always feel this way?

I'm dreaming of a sun that never sets  
Of a life without regrets  
In a world that lets its lovers' dreams come true

Dreaming of a time beyond today  
When you turn to me and say  
You'll always feel this way?

I'm dreaming of a sun that never sets  
Of a life without regrets  
In a world that lets its lovers' dreams come true
