

## Patriot's Dream

Jennifer Warnes

Living now, here but for fortune  
Placed by fate's mysterious schemes  
Who'd believe that we're the ones asked  
To try to rekindle the patriot's dream

Arise sweet destiny, time runs short  
All of your patience has heard their retort  
Hear us now, for alone we can't seem  
To try to rekindle the patriot's dream

Can you hear the words being whispered  
All along the American stream  
Tyrants freed, the just are imprisoned  
To try to rekindle the patriot's dream

Ah but perhaps too much  
Is being asked of too few  
You and your children with nothing to do  
Hear us now, for alone we can't seem  
To try to rekindle the patriot's dream
