

Up Where We Belong

Jennifer Warnes

Who knows what tomorrow brings
In a world, few hearts survive
All I know is the way I feel
When it's real, I keep it alive

The road is long
There are mountains in our way
But we climb a step every day

Love lift us up where we belong
Where the eagles cry on a mountain high
Love lift us up where we belong
Far from the world below
Up where the clear winds blow

Some hang on to used to be
Live their lives, looking behind
All we have is here and now
All our life, out there to find

The road is long
There are mountains in our way
But we climb them a step every day

Love lift us up where we belong
Where the eagles cry on a mountain high
Love lift us up where we belong
Far from the world below
We know, up where the clear winds blow

Time goes by, no time to cry
Life's you and I, a live today

Love lift us up where we belong
Where the eagles cry on a mountain high
Love lift us up where we belong
Far from the world
We know, where the clear winds blow
