

This Is a Thirst

Jenny Hval

This is a thirst that resembles me
Sparks do find us

How do you smell it?
How do you know?
How do you spell it?
This is a thirst to enter
This is a thirst glazed with honey dew, honey dew

This is a thirst to enter and I enter in
This is a thirst that resembles me
Sparks do find us, sparks outline us
This is a thirst that resembles me
Inside I'm glowing

Into the mouth I call...

Honey dew, honey dew
Honey dew, honey dew
