

## This Is a Thirst

Jenny Hval

This is a thirst that resembles me  
Sparks do find us

How do you smell it?  
How do you know?  
How do you spell it?  
This is a thirst to enter  
This is a thirst glazed with honey dew, honey dew

This is a thirst to enter and I enter in  
This is a thirst that resembles me  
Sparks do find us, sparks outline us  
This is a thirst that resembles me  
Inside I'm glowing

Into the mouth I call...

Honey dew, honey dew  
Honey dew, honey dew
