

# She's Not Me

Jenny Lewis

I used to think you could save me,  
I've been wandering lately  
Heard she's having your baby,  
And everything's so amazing  
It goes on and on and on and on,  
It goes on and on and on and on

But she's not me, she's easy

All those times we were making love,  
I never thought we'd be breaking up  
Bet you tell her I'm crazy  
It goes on and on and on and on,  
It goes on and on and on and on

But she's not me, she's easy

Remember the night I destroyed it all  
When I told you I cheated,  
And you punched through the drywall  
I took you for granted  
When you were all that I needed!

But she's not me, she's easy  
She's not me, she's not me  
She's easy, she's easy  
She's not me, she's not me
