

# Firecracker

Jens Lekman

firecracker, firecracker  
blow me away  
firecracker, firecracker  
blow me away

even if there will be no more dawn  
don't forget to see (???)

new years day  
tradition of fog  
and firecracker smoke  
yesterday was a joke  
I nearly choked  
on a coke  
cause I wanted to know  
what it would be like  
if the (??) were right

if the utopia didn't drown  
be care free  
turn our backs

firecracker, firecracker  
blow me away  
firecracker, firecracker  
blow me away

even if there will be no more dawn  
don't forget to see (???)

firecracker, firecracker
