

I Don't Know If She's Worth 900 kr

Jens Lekman

Well I know that I fall in love too easy,
I just sit back and pluck a little daisy.
Oh loves me, loves me not,
I wanna fill her heart with forget-me-nots
So she'll think of me,
In Barcelona.

I don't know if she's worth 900 Kronor,
'Cause that's a ticket from Gothenburg to Barcelona.
Oh loves me, loves me not,
I wanna fill her heart with forget-me-nots
So she'll think of me,
In Barcelona.

But there's a song on the radio
that lets me know that what I feel is a
No, no, no!
But hey let's go.
I'm not afraid to lend my heart out to a stranger:
Barcelona.

Oh please don't remind me of the little time i have
known her.
She's probably happy,
In love with someone in Barcelona.
But no matter, if she loves me not,
I wanna fill her heart with forget-me-nots
So she'll think of me,
In Barcelona.

But there's a song on the radio
that lets me know that what I feel is a
No, no, no!
But hey let's go.
I'm not afraid to lend my heart out to a stranger:
Barcelona.
