

# I Know What Love Isn't

Jens Lekman

Hey Renee do you still have your Holden?  
That old clunkers golden.  
How 'bout we take it for a spin, up and down  
Listen to music and look at girls,  
I want to know if we have the same taste, do you like blondes o  
r brunettes?  
The or the cool cat?  
Don't pull over just yet.  
Look to the left, there's a 9.  
5 down the street, into my right a perfect 10 sitting in the dr  
ivers seat.  
I don't know what love is, but I know what it isn't  
I don't know what love is, but I know what it isn't

So lets's get married, I'm serious, but only for the citizenshi  
p.  
I've always liked the idea fin.  
A relationship doesn't lie about it's intentions and  
Shit. How it doesn't't appologise, or  
All the rules and ideas we fill our heads with.  
Hey do you want to go see a band?  
No I hate bands, it's always packed with men spooning  
Their girlfriends, clutching their hands.  
As if they let go their feet would lift from the ground and des  
cend.  
I don't know what love is, but I know what it isn't  
I don't know what love is, but I know what it isn't  
\*Flute solo\*  
I know what love isn't, I know what love isn't,  
I know what love isn't, I know what love isn't
