

# Kanske Ar Jag Kar I Dig

Jens Lekman

I saw on TV about this little kid  
Who had a pig for a pet  
His mom had once been attacked by a dog  
So a pig was the closest thing he could get

This has of course nothing to do with anything  
I just get so nervous when I'm talking to you  
All I think about everyday is just kissing you  
An old feeling that feels refreshingly new

Ah-ooooh

Kanske ar jag kar i dig

I offered you some chocolate  
You declined so sweetly and commented on my jacket  
"It makes you look like a lumberjack, but are you man enough to  
wear it?"  
I said, "It used to be my grand-  
grandfather's, what could I do but inherit it?"

My words are just c-c-c-coming out all wrong  
I sure could use a little help  
I think I'm gonna drop my cool now  
The best way to touch your heart is to make an ass of myself

Ah-ooooh
