

# Your Beat Kicks Back Like Death

Jens Lekman

We`re all gonna die...  
We`re all gonna die...  
We`re all gonna die...  
We`re all gonna die...

We don`t know how  
and we don`t know when  
We don`t know how  
and we don`t know when

We`re all gonna die...  
We`re all gonna die...  
We`re all gonna die...  
We`re all gonna die...

We don`t know how  
and we don`t know when  
We don`t know how  
and we don`t know when

We`re all gonna die...  
We`re all gonna die...  
We`re all gonna die...  
We`re all gonna die...

We don`t know how  
and we don`t know when  
We don`t know how  
and we don`t know when

We`re all gonna die...  
We`re all gonna die...  
(We`re all gonna die...)  
We`re all gonna die...  
We`re all gonna die...  
We`re all gonna die...

Whistle along if you not imomrtal..
