

# Let Me Down Easy

Jeremih

Let me down easy  
Oh your love for me it's gone  
Let me down easy  
Since you feel to stay is wrong  
I know you don't love me

Big ligaments are in my with the soco  
Plus I keep the pussy in a low post  
Shawty said she want it in the phantom  
Sorry baby I don't push a phantom  
White girl got a booty like coco  
But nigga gotta get it in a four touch  
Then I gotta hit her with the cannon  
Real strong Bruce Banner  
I know you love it when I release the D  
Let her see your face when I unleash the beast  
So you can make it clap girl at least for me  
She ain't even puerto rican screaming papi papi  
Oh, girl hit me up, bud for the high  
Love for the love, gon' push me enough  
And I'm leanin like Weezy  
Just let me down easy

Let me down easy  
Oh your love for me it's gone  
Let me down easy  
Said you feel just you were wrong  
I know you don't love me

To hell with all this fasting  
This shit here is classic  
All the whips, she crashed it  
All the checks, she cashed in  
But now I'm getting 'bout tired  
Of all of this shit is faker than plastic  
Yeah I'm supposed to feel bad for a ho  
Nigga, four hoes? Fantastic  
Now she going off they say  
Now she textin' me lately  
Talking about how she came wait wait  
But Jeremih ain't giving no date day  
This is wrong call 911  
Cause the testimony's mayday  
Now for one other minute don't tease me  
It don't please me, just let me down easy

Let me down easy  
Oh your love for me it's gone  
Let me down easy  
Said you feel just you were wrong  
I know you don't love me
