

Love Don't Change

Jeremih

Girl I'll still kiss your the head in the morning
Make you Breakfast in bed while your yawning
And I don't do everything, how you want it
But you can't say your man, Don't be on it

'Cause I know true love ain't easy.
And girl I know it's you,
'Cause you complete me.
And I just don't want you to leave me,
Even tho I give you reasons

'Cause baby sometimes,
I can tell just by your face
This part of us been gone for so long.
And I know there's no replacing
What we had going on for so long.

But when it hurts,
I can make it better.
Girl if it works, it's gon be forever.
We been though the worst,
Made it though the weather.
Our problems and the pain (pain),
But Love Don't Change

Girl you still hold me close when you see me.
And you still make me know that you need me.
And I know sometimes you don't believe me.
But you stay on my mind,
So believe me.

'Cause you have my heart don't break it (Oh no don't break it girl)
'Cause when times get tough,
Don't hate me
And it all adds up, we gon make it (gotta make it)
Cause when you mad,
I know you can't fake it

'Cause baby sometimes,
I can tell just by your face
This part of us been gone for so long (so long).
And I know there's no replacing
What we had going on for so long.

But when it hurts,
I can make it better.
Girl if it works, it's gon be forever.
We been though the worst,
Made it though the weather.
Our problems and the pain (pain),
But Love Don't Change

Hold me down and I'm gon do the same
For you love, I will do a thing
For you love, I want this together
Even though it gets better
Or worse

'Cause baby sometimes,
I can tell just by your face
This part of us been gone for so long.
And I know there's no replacing
What we had going on for so long.

But when it hurts,
I can make it better.
Girl if it works, it's gon be forever.
We been though the worst,
Made it though the weather.
Our problems and the pain (pain)
But love

But when it hurts,
I can make it better.
Girl if it works, it's gon be forever.
We been though the worst,
Made it though the weather
Our problems and the pain (pain),
Our love won't change
