

## Rated R (The Masterpiece)

Jeremih

Tell me why can I hate?  
If I can give you something better  
For you babe  
I can't stand there and let you get away  
I can't do it  
I can't do it, I can't do it  
I-I can't do it, I can't do it

Later on (we can get to something popping)  
Rated R (oh baby girl he's nothing)  
Been through all the movies  
Don't care how you do me  
I just want to give you all my love  
Tell you how I want it baby  
So what I'm crazy  
I just wanna be alone  
And give it to you, baby  
And give it to you, baby

I brought my extinguisher  
I'll put it out, put it out  
Lets get a taste of love  
Just call 773, 779  
Love, love, love

Later on (we can get to something popping)  
Rated R (oh baby girl he's nothing)  
Been through all the movies  
Don't care how you do me  
I just want to give you all my love  
Tell you how I want it baby

And give it to you, baby  
And give it to you, baby
