

Sleepers

Jeremih

Oh, no
Oh oh whoa
Oh, no
I hope your not a sleeper, sleeper
(Me)
Yes you
Girl, how much can a sleeper dream, oh

Y'all ready
(Estas listo para mi)
Girl it's just your body
Makes me act this way
I, I, won't won't tell nobody
Don't care what they say
Either right here in this club
Or back up in my place
I, I, I'm gon see your love
Like shine up on my face
Girl you can bring a friend
If you wanna, if you wanna
Come & hop up on this benz
You a goner, a goner
I gotta speed the drive
I stay on 45
Yeah call that yellow light
So girl tonight

Oh, no

(Me)

And pull up the shades
There's no better satisfaction
No better escape
Than to see a pretty love Jones
All over yo face

Let me step up to your love throne
I'll be king of spades
And you can play this half
If you wanna, you wanna
I enjoy the pmf?
But I'm gonna, 'cause I'm gonna
For tonight, for tonight
Just you & I, you & I
Get tick tick tick tick tockin
Ain't no stopping
