

Burden Me

Jeremy Camp

All the people that I see
How they search so desperately
It's all I want, all I need, is for you to give to me
A heart for those who need to know how much you care

Well, I can see your burden coming everyday
Searching for the answer
I just need you to

Burden me with the weight that you love me
Burden me with your plan
Burden me with the message that you've given me
Burden me, here I am

Well, the purpose within me
How it burns so fervently
It's all I want, all I need, is for you to give to me
A heart for those who need to know how much you care

Well, I can see your burden coming everyday
Searching for the answer
I just need you to

Burden me with the weight that you love me
Burden me with your plan
Burden me with the message that you've given me
Burden me, here I am

Burden me with the weight that you love me
Burden me with your plan
Burden me with the message that you've given me
Burden me, here I am

Burden me with the weight that you love me
Burden me with your plan
Burden me with the message that you've given me
Burden me, here I am

Here I am, here I am, here I am, here I am
Here I am here I am, here I am
