

# Christ In Me

Jeremy Camp

In this obsession with the things this world says make us happy  
Can't see the slaves we are in all the searching all the graspi  
ng

Like we deserve much more than all these blessing we're holding  
So now I'm running free into an ocean of mercy unending

So come and empty me  
So that it's you I breathe  
I want my life to be  
Only Christ in me  
So I will fix my eyes  
'Cause you're my source of life  
I need the world to see  
That it's Christ in me  
That it's Christ in me

Done with what holds me down the things I once was chasing afte  
r  
Throw off these heavy chains that I have let become my master  
So now I'm running free into an ocean of mercy unending

So come and empty me  
So that it's you I breathe  
I want my life to be  
Only Christ in me  
So I will fix my eyes  
'Cause you're my source of life  
I need the world to see  
That it's Christ in me  
That it's Christ in me
