Jeremy Camp

The day I stopped and listened  
Heard the sound of love  
Asking to be let in

Offering a new life  
And giving me a chance  
To start over again  
You reached out to me  
And now I sing

And I am free  
And I am free  
My sin was wrapped around me  
Trying to drown me  
You have set me free  
And I am free  
And I am free  
The chains that held me tightly  
Are finally lifting  
You took this weight from me  
Now I'm free

Covered by Your mercy  
Captured by a hope that will always remain  
I can stop and breathe now  
Resting in the shelter of Your name  
You reached out to me  
And now I sing

And I am free  
And I am free  
My sin was wrapped around me  
Trying to drown me  
You have set me free  
And I am free  
And I am free  
The chains that held me tightly  
Are finally lifting  
You took this weight from me

No more fear inside me  
I will trust completely  
Your love overtakes me  
And nothing else has made me free  
I am free

Free  
And I am free  
My sin was wrapped around me  
Trying to drown me  
You have set me free  
And I am free  
And I am free  
The chains that held me tightly  
Are finally lifting  
You took this weight from me  
And now I'm free

The chains that held me tightly  
Are finally lifting  
You took this weight from me  
And now I'm free
