

## God With Us

Jeremy Camp

Hallelujah the King has come  
Beautiful Saviour God's own Son  
Hallelujah the Christ is here  
So rejoice for our salvation's near

Emmanuel, our humble King  
We give you our hearts as an offering  
You laid down your crown  
And became as dust  
Emmanuel, God with us

Hallelujah the angels sang  
To certain poor shepherds in fields where they lay  
Hallelujah the world will see  
The fullness of His majesty

Emmanuel, our humble King  
We give you our hearts as an offering  
You laid down your crown  
And became as dust  
Emmanuel, God with us

Oh come all ye faithful our God is here  
Joyful triumphant salvation's near  
Oh come and behold our King  
Come and behold Him

Emmanuel, our humble King  
We give you our hearts as an offering  
You laid down your crown  
And became as dust  
Emmanuel, Emmanuel  
God with us
