

# I Am Nothing

Jeremy Camp

He seems always in this place,  
Where the things I seem to take,  
Are the things I wish would fade  
I always purpose in my heart,  
Well to do things the right way,  
Then I realize I'm still clay  
And this piece that's being shaped,  
Will be a beauty you create

I am nothing without Your love  
I'm unworthy but Your death has been enough  
I'm completed by Your touch,  
But I feel like I've been given so much so I thank You,  
I thank You

I wouldn't even face,  
All the troubles of the day,  
If it wasn't for Your grace  
Sometimes I even wait,  
To see if I'm awake,  
Seems so good I can't relate  
And Your every word I crave,  
And I'm grateful for every breath I take

When I'm feeling all my shame,  
You won't let it stay,  
I sail away into Your love  
I'm taking every day,  
To give my life away,  
It's the only way I know

I am nothing without Your love  
I'm unworthy but Your death has been enough  
I'm completed by Your touch,  
But I feel like I've been given so much I am nothing  
You are everything  
So I thank you. I thank you  
Lord I thank you  
I thank you
