

I'm Alive

Jeremy Camp

I felt so overwhelmed with guilt
I don't know how many times that I'd fight it
Well, I tried it and barely survived it
I fell in the nearest pool of shame
Took the blame and everything that surrounds it
Well, I found it and I drowned in it

Oh, I never thought I'd erase this
Or replace this feeling now
Oh, but my whole life changed
When You saved me and forgave me now

I'm alive, I'm alive like I've never been
Been revived from the lies that were deep within
It's the past now, it's the past
'Cause Christ has given life where I'll never thirst again

I'm alive, I'm alive like I've never been
Been revived from the lies that were deep within
It's the past now, it's the past
'Cause Christ has given life where I'll never thirst again

I lost everything I had
But I'm glad 'cause I would never have found you
Well, it rings true, the words that spoke through
You've given more than I can say
And I know that I could never repay You
But I thank you, I can't wait to embrace You

Oh, I spun around for a long time
And I always felt so blind
Oh, I never thought I could feel it
Well, I feel it now

I'm alive, I'm alive like I've never been
Been revived from the lies that were deep within
It's the past now, it's the past
'Cause Christ has given life where I'll never thirst again

I'm alive, I'm alive like I've never been
Been revived from the lies that were deep within
It's the past now, it's the past
'Cause Christ has given life where I'll never thirst again

Oh, I can feel it now every time I turn around
Knowing I have been set free from the pain and misery
Oh, I will make the most of this hope I have

I'm alive, I'm alive like I've never been
Been revived from the lies that were deep within
It's the past now, it's the past
'Cause Christ has given life where I'll never thirst again

I'm alive, I'm alive like I've never been
Been revived from the lies that were deep within
It's the past now, it's the past
'Cause Christ has given life where I'll never thirst again

I'm alive, I'm alive like I've never been
Been revived from the lies that were deep within
It's the past now, it's the past
'Cause Christ has given life where I'll never thirst again

Oh, I'll never thirst again
Oh, I'll never thirst again
I'll never thirst again
I'm alive

I'm alive, I'm alive like I've never been
Been revived from the lies that were deep within
It's the past now, it's the past
'Cause Christ has given life where I'll never thirst again

I'm alive, I'm alive like I've never been
I'm alive, I'm alive like I've never been
